Revision Type: Renewal
Permitting Action: Determination
Subject: RN7; Completeness Determination

Dear Dicki:

The Department of Environmental Quality (DEQ) has completed its review of Western Energy Company's application for renewal RN7. DEQ has determined that the application for RN7 is administratively complete.

Western Energy Company may initiate the publication of the public notice. Due to an update to DEQ's website, the link for electronic copies should be updated to <http://deq.mt.gov/Public/ea/coal>. Also please change the last line of the last paragraph to read "by going to <http://svc.mt.gov/deq/publiccomment/>".

DEQ will proceed with its acceptability review of the application. Please feel free to contact Robert D. Smith at 406-444-7444 with questions regarding this letter.

Sincerely,

A handwritten signature in blue ink, appearing to read "Chris Yde", is positioned above the printed name and title.
